

2010 Mississippi QSO Party

For once Mississippi had good weather for the last weekend in February. No snow, ice, thunderstorms, flooding, or tornadoes. What more can you ask for. A check of the logs shows that 114 Mississippi Stations were on the air in 66 counties. Special thanks to the mobiles and portables who put many counties on the air that otherwise that would not been available. A pat on the back for W3DYA/M. K4ZGB/M. NO5W/M, N5CW/M, W5GWD/P, and AA0KW/P. These stations collectively made 1,948 QSOs in 50 Counties! Thanks Men. Among the mobiles W3DYA made the most QSOs with 603 and NO5W operated from the most counties with 18.

For the first time in the eight years of the Mississippi QSO Party we have plaques. This year's winners are:

High Mississippi Score – AG5Z
High Out of State Score - N6MU
High Mobile Score – W3DYA
High Portable Score – W5GWD

Thanks to K2FF, W5UE, the Hattiesburg ARC, and the Jackson ARC for sponsoring the plaques and congratulations to the winners! One error of note. In an earlier preliminary release of information on the plaque winners, AD5WI was listed as the High Out of State Winner. As the results were typed up it was discovered that one of N6MU's log pages had gotten attached to another log, thus loosing credit for 29 QSOs and 9 new counties. That made a difference in the scores! Sorry about that. That's a good reason that logs need to be checked through several times.

Results are bring sent out by email (save that postage) and those eligible for plaques and certificates will receive them somewhat later by snail mail. See you during the 2011 QSO Party!
